1. Aims

Spencer Academies Trust (SAT) and Inkersall Spencer Academy are committed to fulfilling our obligation to school attendance through our whole-academy culture and ethos that values and understands the importance of good attendance – high achievement depends on good attendance. This includes:

- promoting good attendance;
- reducing absence, including persistent and severe absence;
- ensuring every pupil has access to the full-time education to which they are entitled;
- acting early to address patterns of absence and;
- building strong relationships with families to ensure pupils have the support in place to attend the academy.

We expect all our children to attend school every day that school is in session as long as they are fit and healthy enough to do so.

We do all we can to encourage the children to attend and to put in place appropriate procedures to ensure this is the case.

At Inkersall Spencer Academy, we believe that the most important factor in promoting excellent attendance is the development of positive attitudes towards school. To this end, we strive to make our school an environment that is built on respectful relationships with staff, pupils and families and is a happy and rewarding experience for all in the community.

As a result, we expect all staff members to:

- treat pupils with dignity, build relationships rooted in mutual respect and observe proper boundaries.
- take into consideration the vulnerability of some pupils and the ways in which this might contribute to absence, handling confidential information sensitively.
- understand the importance of school as a place of safety where pupils can enjoy
- trusted relationships with staff and pupils particularly for children with a social worker and those who have experienced adversity.
- communicate effectively with families regarding pupils' attendance and well-being.

In return, we expect all parents and carers to:

- treat staff with respect.
- actively support the work of the school with regards to attendance.
- call on staff for help with attendance when they need it.
- communicate as early as possible circumstances which may affect absence or require support.

In addition to school attendance, we will also make the best provision we can for those children who, due to ill health, are prevented from coming to school.

2. Legislation and Guidance

This policy meets the requirements of [Working Together to Improve School Attendance \(2024\)](#) published by the Department for Education (DfE), and refers to the DfE's statutory guidance on [School Attendance Parental Responsibility Measures \(2015\)](#). - [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

- attending training and CPD, as needed and appropriate;
- being aware of the importance of good attendance, and;
- ensuring they are consistent in their communication with pupils and parents.

3.6 Academy Office Staff

Academy office staff will:

- transfer calls from parents to the teacher/ Pastoral Managers/Principal in order to provide them with more detailed support on attendance, as appropriate.

3.7 Parents/Carers

Parents/Carers are expected to:

- make sure their child attends every statutory school day and on time;
- call the academy to report their child's absence before 8:30am on the day of the absence (and each subsequent day of absence), and advise when they are expected to return;
- provide the academy with more than 1 emergency contact number for their child and;
- ensure children are collected on time at the end of the academy day at 3:15pm;
- ensure that, where possible, appointments for their child are made outside of the academy day.
- Only request leave of absences in exceptional circumstances and do so in advance via academy processes (**see section 5.1**)
- Engage positively with the academy to identify and support any identified barriers to attendance.

All absences can be reported using the academy absence line on 01246472370 and via the Arbor App.

4. Recording Attendance

4.1 Attendance Register

We will keep an attendance register and place all pupils onto this register. We will take our attendance register at the start of the first session of each academy day and once during the second session. It will mark whether every pupil is:

- present;
- attending an approved off-site educational activity;
- absent, or;
- unable to attend due to exceptional circumstances.

(See Appendix 1 for more details on the DfE attendance codes.)

Any amendment to the attendance register will include:

- the original entry;
- the amended entry;
- the reason for the amendment;
- the date on which the amendment was made and;
- the name and position of the person who made the amendment.

We will also record:

- whether the absence is authorised or not;
- the nature of the activity if a pupil is attending an approved educational activity, or;
- the nature of circumstances where a pupil is unable to attend due to exceptional circumstances.

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils must arrive into the academy by 8:45am on each school day.

The register for the first session will be taken at 8:50am and will be kept open until 9:05am. The register for the second session will be taken at 1pm and will be kept open until 1:10pm.

4.2 Unplanned Absence

The pupil's parent/carer must notify the academy of the reason for the absence on the first day of an unplanned absence by 8:30am or as soon as practically possible by calling the academy office staff (see also section 7).

Parents can use Arbor (School IMS App) to record a child's absence or call the school office.

We will mark absence due to illness as authorised unless the academy has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt or there are concerns about persistent absence, the academy may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the academy is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned Absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the academy in advance of the appointment.

All parents will bring proof of any medical/dental appointments to the school office in advance of the absence.

However, we encourage parents/carers to make medical and dental appointments out of academy hours where possible. Where this is not possible, the pupil should be out of the academy for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and Punctuality

A pupil who arrives late:

- **Before the register has closed** will be marked as late, using the appropriate code (L).
- **After the register has closed** will be marked as absent, using the appropriate code (U). This will impact on the child's overall attendance.

The school gates will close promptly at 8:55am. If a child arrives after the gates close then the parent will need to bring them in to the main school office to sign them in.

4.5 Following-up Unexplained Absence

Where any pupil we expect to attend the academy does not attend, or stops attending, without reason, the school will:

- call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the academy cannot reach any of the pupil's emergency contacts, the school may conduct a home visit and/or contact the police and/or social care depending on the individual circumstances of the child;
- a home visit by the pastoral team will automatically take place where a child's attendance is 90% and below;
- identify whether the absence is approved or not;
- identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session and;
- call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the academy will follow Derbyshire

local authority procedures which may include involving an Education Welfare Officer or other relevant supportive agencies.

- where a child has support from additional agencies, the academy may liaise with relevant professionals to promote effective working across local authority area. All decisions around information sharing will be recorded on CPOMS following Safeguarding Child Protection Policy procedures.

4.6 Reporting to Parents/Carers

The academy will regularly inform parents about their child's attendance and absence levels each term via the end of term report. Where there are concerns about a child's absence then a letter will be sent to parents/carers.

5. Authorised and Unauthorised Absence

5.1 Approval for Term-time Absence

The Principal will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the Principal's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as circumstances that could not be reasonably foreseen and for which there was insufficient time to take the necessary action to resolve the situation arising from those circumstances.

The academy considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The Principal may require evidence to support **any** request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where a day is “exclusively set apart for religious observance by the religious body to which the pupil's parents belong” (The Education Act 1996 S444(3) (c)). If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart.
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the academy, but it is not known whether the pupil is attending educational provision.

When considering granting the leave of absence as exceptional circumstance the Principal will consider:

- the amount of time requested;
- circumstances of the request;
- frequency of the request;
- previous leave of absences taken within child's academy career;
- when the request was made;
- proximity of external and internal examinations;
- the child's current attendance record, including previous academic years;

- the impact that absence will have on a child's attendance record;
- the impact on the child's education and their ability to catch up on the work that would be missed.

5.2 Legal Sanctions

Inkersall Spencer Academy or the Local Authority can fine parents for the unauthorised absence of their child from the academy, where the child is of compulsory school age.

Penalty notices can be issued by a Principal, Local Authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- the threshold of 10 sessions of unauthorised absence in a rolling period of ten school weeks;
- one-off instances of irregular attendance, such as holidays taken in term time without permission, and;
- where an excluded pupil is found in a public place during academy hours without a justifiable reason.

Under national framework for penalty notices, from Working Together to Improve School Attendance (2024), our academy is required to consider issuing a fine when;

- a child has missed 10 or more sessions (5 or more consecutive days) for unauthorised reasons
- 10 sessions of unauthorised absence in a rolling 10-week period

If issued with an initial fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made **directly to the Local Authority**.

If the same parent, for the same child is issued with a second fine, or penalty notice, within a 3-year rolling period, the parent will be charged at a flat rate of £160 if paid within 28 days.

If the payment has not been made after 28 days, the Local Authority can decide whether to prosecute or withdraw the notice.

If the same parent, for the same child triggers a further penalty notice, alternative action will be explored. This may include considering prosecution but may include other tools such as another attendance legal intervention.

6. Strategies for Promoting Attendance

Inkersall Spencer Academy recognises that rewards play a vital part in encouraging pupils to achieve. Rewards will be given to pupils for excellent attendance and punctuality. The following illustrates the rewards and strategies that will be given for good attendance and punctuality (these can be subject to change). Attendance is celebrated each week with the best class winning extra playtime during the week. Over the year all pupils who have 100% attendance each week are given rewards of vouchers at the end of the school year.

7. Attendance Monitoring

7.1 Monitoring attendance

Inkersall Spencer Academy will:

- monitor attendance and absence data half-termly, termly and yearly across the academy and at an individual pupil level and;
- identify whether or not there are particular groups of children whose absences may be a cause for concern.

Pupil-level absence data will be shared daily with the DfE through approved MIS systems, in line with Working Together to Improve Attendance (2024) and published at national and local authority level through

the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The academy will compare attendance data to the national average and share this with the Academy Governance Committee with the support of the Director of Inclusion.

7.2 Analysing attendance

Inkersall Spencer Academy will ensure that internal processes allow for:

- analysis of attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families, and;
- looking at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

Where required, the academy will work actively with the local authority Education Welfare Team to monitor, identify and support any concerns around child attendance.

When working with the local authority, our academy will;

- build strong relationships and work collaboratively
- identify, discuss, and agree action plans and joint approaches for severely absent pupils (where they do not already have a plan in place)
- Discuss and agree approaches for persistently absent, where there have barriers to attendance that require a multi-agency response to overcome
- agree which agency will act as lead practitioner

7.3 Using data to improve attendance

Inkersall Spencer Academy will:

- provide regular attendance reports to teachers, and other school leaders, to facilitate discussions with pupils and families and;
- use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.

7.4 Reducing Persistent and Severe Absence

Persistent absence is where a pupil misses 10% or more of school, and severe persistent absence is where a pupil misses 50% or more of school.

Inkersall Spencer Academy will:

- use attendance data to find patterns and trends of persistent and severe absence;
- work with identified children and parents to understand and support reasons for absence, including any in-school barriers to attendance;
- signpost and support access to any required services where external barriers to school are identified;
- hold regular discussions with children and their parents, who the academy (and/or Local Authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement;
- provide access to wider support services to remove the barriers to attendance and;
- consider thresholds for referral to statutory children's agencies.

8. Monitoring Arrangements

This policy will be reviewed as guidance from the Local Authority or DfE is updated, and as a minimum annually.

9. Links with Other Policies

This policy links to the following policies:

- Child protection and Safeguarding Policy
- Behaviour Policy

10. Graduated Response

At Inkersall Spencer Academy, we are relentless in our pursuit of excellence for pupils. We have established robust attendance monitoring and escalation procedures which are initiated in an attempt to prevent absence becoming a problem by taking the following action to ensure that persistent absence is kept as low as possible:

To develop and maintain a culture within our school community where excellent attendance is important, we deliver the following universal offer:

- deliver weekly assemblies to promote and celebrate excellent attendance
- pastoral support from Pastoral Attendance Manager and the Pastoral Family Support Manager
- communicate the school's attendance on RMP app
- incentivise excellent attendance with certificates
- reward children by year group for excellent attendance, weekly
- reward individual children termly for excellent attendance and inform their parents
- maintain a relational approach with our children and families; upholding positive relationships
- explicitly teach the importance of attending school every day through assemblies and the curriculum
- first day absence procedure (see Appendix 2 for flowchart)

Tier 1

For all pupils who are below national expectation and at risk of becoming persistently absent, we deliver the following targeted approach: (see Appendix 1 for flowchart).

- Fortnightly monitoring of pupils who have fallen below 97% by our Attendance Champions to ensure that support is offered as early as possible in order to prevent them from becoming persistent absentees.
- Informing parents/carers that their child's attendance has fallen below the national expectation and that their attendance will continue to be monitored in order to ensure they don't become persistently absent from school.
- Outlining to parents/carers the action that will be taken if their child's attendance falls below 90%

Tier 2

For all pupils who have become persistently absent, our procedures are specialised: (see Appendix 2). •

Fortnightly monitoring of pupils, by our Attendance Champion, who have become persistently absent from school.

- When a pupil falls below 90%, a wellbeing call/visit is made to the parent/carer by our Pastoral Safeguarding and Attendance Managers to
- Regular check-ins with the Pastoral and Safeguarding Managers continue to review progress and impact of support given. Improved attendance of 100% is rewarded.

Where there is no improvement, the following action is taken:

1. If there is no improvement in the pupil's attendance, this will trigger a letter (Letter 1) to parents/carers proposing a school meeting/home visit/telephone conversation to discuss ways that we could further support the child. An 'improving attendance support plan' will be agreed, including actions that both the school and parent/carer are committed to. In addition, as there has been no improvement, further time off school will be unauthorised without medical evidence.
2. If there is no improvement, a further letter (Letter 2) will be sent informing them of a given time and date for a face to face meeting with the Pastoral Attendance Manager. A follow-up fortnightly check-in will be agreed.
3. If there is no further improvement in attendance, a further letter (Letter 3) will be sent giving warning that a referral to the Local Authority to issue a fixed penalty notice has been made.

4. 10 sessions (5 school days) of unauthorised absence within a 10-week time frame will result in a Fixed Penalty Notice being applied for from Derbyshire County Council.
5. The Attendance Champions will make regular contact via phone and RMP (School App) to continue to offer support and to keep communications open.
 - Pupils who have shown a significant improvement in their attendance are awarded with a celebratory postcard home. The Principal may also make a positive phone call home.

For all children who are in receipt of Pupil Premium funding:

- The attendance of all children eligible for pupil premium is monitored fortnightly by our Attendance Champions. Feedback from this monitoring is passed onto to our Pupil Premium Lead and any actions required are planned.
- The individual needs and vulnerabilities of all our pupils is of great importance to us and taken into consideration when monitoring attendance. Working with members of SLT, the SENDCo, the Pupil Premium Lead and Pastoral Safeguarding and Attendance Managers, we seek to proactively engage with pupils who have poor attendance.

Pupil Absence –

Day 1 Procedure: (see Appendix 2 for flow chart)

Parents / carers must inform the school by 8:45am if their child is going to be absent through one of the following methods:

- Phoning the school office and leaving an answer-phone message on 01246 472417
- Emailing the school office on info@inkersallspencer.org.uk

- Using the IMS app (Arbor)

Once the register is closed at 09:05am, the office staff will identify any children who are absent with no reason and the initial text message will be sent before 10am by the Administration Assistant.

Particular emphasis is placed on the attendance of disadvantaged and/or vulnerable pupils. If no contact can be made through calling the parents/carers, all other available contacts will be called.

If no contact is made by 12pm, the Pastoral Attendance Manager will be informed and we will make a second phone call to parents/carers and all other available contacts. If possible, we leave an answer phone message on the parents/carers device informing them that if they do not make contact with school by 1pm, then a safe and well home visit will be made.

The Attendance Lead will inform DSL's and SLT after 1pm and a home visit will be conducted. If no contact can be made from the home visit, a home visit notification will be left (see Appendix 3) at the house requesting immediate contact by the end of the school day.

If a child has a social worker, they will be informed that the child has not been in school today and that they have not been seen when a home visit was carried out. If contact is not made by the end of the school day, 3:15pm, social services will be contacted for advice and to request a safe and wellbeing check. The police will also be contacted if required. Professional advice will be followed. School will do all it can to contact the pupil each day and continue to follow professional advice.

On day 10 of no contact, school will contact Children Missing Education.

Known Pupil Absence – Day 5 Procedure

- Where there has been contact with the parent/carers but a child has been absent for 5 days, a home visit will be undertaken on the 5th day to check on the wellbeing of the child and to see whether there is anything school needs to be aware of.
- If the child is not seen, the Attendance Champions will undertake a risk assessment to decide on level of concern.
- School will contact social services or police for advice and to request a safe and wellbeing check. Professional advice to be followed.
