

Year 1 GROW Curriculum Map

Our Curriculum encourages
us to continue to grow by...

Year 1 is an exciting year. The children will have many opportunities to learn in different ways. As the year goes on, we aim to nurture increasing independence, resilience and a love of learning. Our expectations are high as we want all the children to reach their full potential. We look forward to seeing the children grow in confidence and show increased levels of determination to be the best they can possibly be by following our Inkersall Way of showing Ready, Respectful and Safe. They will earn Name and Fame points when these are seen by all adults.
